Work Experience

- January 2008 – Present *County Program Director, Doña Ana Cooperative Extension Service
NMSU College of Agricultural, Consumer and Environmental Sciences*
- Provide administrative and supervisory support to faculty and staff for delivery of community programs in agriculture, family and consumer sciences, 4-H youth development and community/economic development. Duties include fiscal management, office operational supervision, program management and public relations with elected officials and community stakeholders. Administrative duties performed in addition to family and consumer sciences agent duties.
- June 2004 – Present *Family and Consumer Sciences Agent, Doña Ana Cooperative Extension Service,
NMSU College of Agricultural, Consumer and Environmental Sciences*
- Provide research-based information and programs to the residents of Doña Ana County in the area of family and consumer sciences such as nutrition, food safety, diabetes management, chronic disease management, human development and family resource management. Information provided through presentations, workshops, community events, office visits, phone calls and via email. Programs available in English and Spanish.
- May 2003 – June 2004 *Migrant and Seasonal Farm Worker Youth Specialist,
Families and Youth, Inc., Doña Ana County, NM*
- Provide youth with employment training related to career exploration, job search techniques, filling out applications, resume writing, interview skills, work ethics and post-secondary educational opportunities. Place youth at employment sites for 180 hours of paid work experience. Provide case-management to youth participants and their families. Recruit employment sites for program.
- August 2002- May 2003 *Coordinator of Services, Center for Learning Assistance, New Mexico State University
Main Campus, Las Cruces, NM*
- Instructor for UNIV 150: Freshman Year Experience and for mini-semester courses in various study skills topics. Develop and conduct study skills and life skills trainings for university students in informal settings and present study skills and life skills trainings as a guest speaker for professors. Supervise graduate assistants.
