- May 2006 Bachelor of Science, Family & Child Science, Family & Consumer Sciences New Mexico State University, Las Cruces, NM

## Employment

- November 2015 - Present Extension Associate II, Ideas for Cooking and Nutrition (ICAN) Program, New Mexico State University Cooperative Extension Service, Las Cruces, NM
- August 2006 - September 2015 Extension Associate I, Strengthening Families Initiative, New Mexico State University Cooperative Extension Service, Las Cruces, NM

## Work Experiences

### *Ideas for Cooking and Nutrition (ICAN), November 2015 - Present*

Program supervisor - Provide leadership and guidance for nutrition educators who teach basic nutrition education in Doña Ana County through the Expanded Food and Nutrition Education Program (EFNEP) and Supplemental Nutrition Assistance Program-Education (SNAP-Ed); supervise six nutrition educators; manage budgets; provide reports and documentation as required; network and collaborate with agencies who serve the ICAN target population—individuals with reduced income and families with children; develop and disseminate program schedules; develop strategies for recruitment and retention of participants and link ICAN participants to resources in the county.

Collaborate with ICAN colleagues and administrators to provide quality nutrition education in English or Spanish to adults and youth; promote ICAN at events and meetings; support the NMSU ACES College by providing opportunities for students to experience community education through internships.

### *Strengthening Families Initiative (SFI), August 2006-September 2015*

Facilitator in parenting and couple-relationships – Facilitated classes in building relationship skills and life skills for adults and children; provided series-based education in English or Spanish in Dona Ana County utilizing the Nurturing Parenting curricula and the Family Wellness curriculum; collaborated with colleagues, program manager, agencies and schools to recruit participants with limited resources; developed program schedules, brochures and fliers to disseminate program information; administered pre-and post-assessments and program evaluation tools.

Intern coordinator - Supervised approximately 30 NMSU Family and Child Science (FCS) 424 students in their 120-hour field experience; provided orientation sessions and trainings, completed their mid-term and final evaluations, supported students in setting goals and gaining experience teaching adults and youth in community education through Cooperative Extension; mentored and co-trained AmeriCorps Vista employees and NMSU student employees to co-facilitate the children's classes.
